City Bond Issue Vote Tuesday

Regents OK Bid On Remodel Job

A low bid of \$191,072, submitted by an Amarillo construction firm, was accepted Sunday by the board of regents, State Senior Colleges of Texas, for remodeling of the old administration building at West Texas State University.

The eight-member board, meeting in San Angelo, approved the bid that will allow Wiley Hicks, Jr. of Amarillo to begin renovation of the building June 3 with completion date scheduled by the start of the fall semester at WTSU.

The building, which was replaced by an administrative-classroom complex this year, will be used to house departments of social science.

Architects Hucker and Parge of Amarillo were employed on the project that is being financed by a \$215,000 appropriation to the university by the 60th Texas Legislature.

cal wiring and other outdated facilities, as well as air conditioning the first floor and rearranging many of the partitions in the three-story structure.

In other action, WTSU officials were given permission to employ Emerson and Company as bond advisors on the upcoming sale of bonds for a new physical activities building.

The bond advisors, of San Antonio, will aid WTSU officials in the preparation of a bond issue on the new \$3,500,000 physical activities building.

A plan formulated by the WTSU Faculty Council, in accordance with the legislation establishing the Faculty Development Fund, is being developed.

(See REGENTS Page 8)

Health Officer Issues Statement

Randall County Health officer Dr. Dudley Moore and Canyon Mayor Paul Lindsey issued a joint statement this week urging local residents to not dump dead animals on rural roads or at the city dump grounds.

Dr. Moore said dumping the animals on the rural roads in the county created a problem of disease and insects. County residents are asked to dispose of animals on their own property.

Mayor Lindsey said any resident in Canyon who had a dead animal could call City Hall and allow city employees to dispose of the remains in a sanitary manner.

Several Randall County residents complained to the city commission here last week that allowing dead animals to remain uncovered at the dump grounds was creating a health hazard.

Death Takes T.C. Thompson

Death claimed a pioneer Canyon businessman and civic leader Tuesday night.

T. C. Thompson died at 9:30 o'clock in LaCasa Canyon Convalescent Home.

He had been a resident of Canyon since 1900. Mrs. Thompson preceded him in death in October of 1962.

Mr. Thompson was born Sept. 28, 1874 in Lexington, Tex. His parents came to this country from Copenhagen, Denmark.

He had been a resident of Canyon since 1900. Mrs. Thompson preceded him in death in October of 1962.

Mr. Thompson was born Sept. 28, 1874 in Lexington, Tex. His parents came to this country from Copenhagen, Denmark.

He had been a resident of Canyon since 1900. Mrs. Thompson preceded him in death in October of 1962.

This is an architect's drawing of the proposed new alumni building which is to be constructed on the West Texas State University campus at a cost of \$150,000. Members of the Hosea Foster Memorial Group hope to pay for and furnish a Hosea Foster Executive Room in the new building.

Fund Raising Set By

Foster Memorial Group

A group of area people have started a two-pronged project to provide a memorial for the late Hosea Dean Foster, prominent Canyon farmer and businessman who died here March 7.

The Hosea Foster Memorial Group has set out to raise funds for a Hosea Foster Executive Room in the proposed new alumni building here and to provide an undetermined amount of cash for scholarships to West Texas State University.

Mr. Foster was a graduate of West Texas State and a past president of the alumni association. He was an active supporter of the university throughout most of his adult life.

"This may be the spark to get the alumni building fund started," said Buff Morris, chairman of the Hosea Foster Memorial Group.

Plans of West Texas State University Ex-Students Association, Inc., call for construction of a \$150,000 building, probably on the WTSU campus.

Vaughn Vandergriff, executive secretary of the association, said the building will house offices and records for the alumni association, a formal lounge, the Executive Room, a board of directors room and offices for Educational Endowments, Inc., of West Texas State University.

It will also have a large meeting room which will accommodate 200 persons and there will be men's and women's lounges. The alumni association has 17,000 members.

Educational Endowments Incorporated of West Texas State University will handle money contributed for the Hosea Foster Scholarship Fund.

Goals of the endowment corporation include:

1. To support, promote and provide financial assistance to education at WTSU;

2. Provide financial support for students at WTSU by providing scholarships, fellowships, excellence awards or loans;

3. Provide funds to acquire outstanding faculty members and students for WTSU;

4. Accept gifts of money, property both real and personal, and other donations of value and

5. Act as trustees of any funds or property committed to it for any purpose or purposes designated by any donor.

Friends of Hosea Foster may contribute either toward construction and furnishing of the Hosea Foster Room of the alumni building or to the Hosea Foster Scholarship Fund.

Checks should be mailed to First National Bank, Box 119, Canyon, Texas.

Checks for gifts toward the Hosea Foster Executive Room should be drawn to West Texas Ex-Students, Inc., Hosea Foster Fund, and checks for gifts to the Hosea Foster Scholarship Fund should be drawn to Educational Endowments, Inc., of West Texas State University, Hosea Foster Fund.

Members of the Hosea Foster Memorial Group will be contacting friends of Hosea Foster during the next few days giving them an opportunity to participate in the Hosea Foster Memorial.

At the original meeting of the group some 20 persons present pledged \$8,300. Pledges will be accepted for payment over a three year period.

"TEXAS", staged each summer in Palo Duro Canyon State Park, is mentioned in the April edition of "Redbook" and the February copy of Holiday Inn's magazine.

The "Redbook" article, written in connection with a vacation travel guide throughout the southwest, calls "TEXAS" "the exciting musical drama... a history of the pioneers of the Panhandle area".

"Redbook", the magazine publishers say, has a readership of nine million people.

The three-page story in the Holiday Inn publication gives a brief description of the canyons and the production as well as routes to and from the area. A picture of members of the "TEXAS" cast and a photograph of the canyons is also featured.

to manage and control investments and to re-invest these properties and funds and to contribute income to the furtherance and work of the foundation; and

6. To support, promote and provide financial assistance to education at WTSU;

7. Provide financial support for students at WTSU by providing scholarships, fellowships, excellence awards or loans;

8. Provide funds to acquire outstanding faculty members and students for WTSU;

9. Accept gifts of money, property both real and personal, and other donations of value and

10. Act as trustees of any funds or property committed to it for any purpose or purposes designated by any donor.

Dump, Sewerage, Streets Involved

A \$440,000 general obligation bond issue, which will provide funds for street, storm sewerage plant expansion or drainage, dump ground and sewage plant improvements, has been scheduled by the City of Canyon Tuesday.

The \$400,000-plus bond issue, the first held here since 1957, will include \$215,000 for expansion of the sewerage treatment plant in the south-eastern section of the city; \$200,000 for street and drainage improvements; and \$25,000 for expansion of the dump grounds northwest of Canyon.

Polling places in the City Hall Annex, 1410 Fourth Avenue, will be open from 8 a.m. until 7 p.m., and the election judge will be Mrs. Dewey Foster, assisted by Mrs. Faye Kennedy.

Also on the ballot Tuesday will be the election of a mayor and two commissioners.

Incumbent George Ritter, place three, will be opposed by Jim Christopher. Ritter is an associate professor of government at West Texas State University and Christopher is a local realtor. Mayor Paul E. Lindsey, place one, and Commissioner H. R. Fulton, Jr., place two, are running unopposed.

While there are 3,529 registered voters in Randall County precincts 1, 13, and 17, about 3,250 live within the city limits of Canyon and are eligible to cast votes Tuesday.

In the 1957 elections, Canyon voters approved revenue bonds of \$525,000 and general obligation bonds of \$125,000 for purchase of land for water wells near Umbarger.

This year, commissioners earlier agreed, all bonds to be voted will be tax bonds. Commissioners previously approved a \$1.60 tax rate per \$100 valuation. Previous tax rate was \$1.50 per \$100 valuation.

All vehicles in Randall County must have 1968 license plates by Monday midnight.

The tags, which may be purchased at the Randall County Tax Assessor-Collector office here or at the sub-station at 3806 South Bowie in Amarillo, can be obtained after a current registration slip is shown.

Those without 1968 license plates by Tuesday may be fined up to \$200 in justice of the peace courts.

While there has been no public dissent concerning either the sewerage plant expansion or street and drainage improvements, a few property owners have protested the purchase of additional land at the present dump ground location.

The move, they told commissioners here last week, would possible pollute the creek below the dump grounds and wash trash into the creek.

The dump ground expansion, says Mayor Lindsey, would include the purchase of 24 acres (See DUMP Page 8)

More than 200 directional signs have been installed between Canyon and Amarillo on the Expressway, according to James Moss, resident engineer in charge of the project for the Texas Highway Department.

Moss said the project, which will cost approximately \$190,000, includes six overhead signs at the interchange here and at Washington Street, and about 200 other stop, exit, do-not-enter ground mounted signs. The overhead signs are installed when there is a lack of space for the ground mounted variety.

The sign pattern, he explained, is the same as those along Interstate highways.

The project, he added, will be completed in about two weeks.

Three cash scholarships amounting to a total of \$450 will be awarded to three graduating seniors at Canyon High School this spring under the sponsorship of the Downtown Shopping Center merchants.

The prizes will be \$300, \$100, and \$50 to be used by the winners for study at any accredited college or university. The scholarships will be awarded at the annual senior awards assembly in May.

Voting will begin today, Thursday, and continue through May 11. Local customers will sign the seniors name of their choice to the back of each sales slip at the participating merchants. Ballot boxes will be located in each store and votes will be determined by the total cash register receipts and sales slips.

Tag Deadline Set Monday

Babe Ruth Tryouts April 5

Tryouts for Babe Ruth League baseball will be held Friday, April 5, at 4:30 p.m. at the Little League ballpark, according to Dr. Dudley Moore, league president.

Boys age 13-15 desiring to participate in the summer athletic program of the league should attend the tryout sessions. League drafting of players is slated for April 7, according to player-agent, Jozach Byrd.

Teams and coaches will be the Giants, coached by Manson Lisle, the Cardinals, coached by Orville Hicks, the White Sox, coached by Tommie Terrell, and the Pirates, coached by Gene Andrews.

Fannin (South Amarillo) and Happy baseball teams will not be involved in the local tryout sessions.

Man Falls, Breaks Bones

Four broken bones were sustained by Earl Head in a fall from a ladder while working at the bus garage of the Canyon Independent School District recently.

Head, 58, was transferred to his home Monday following twelve days of treatment at Neblett Memorial Hospital in Canyon. He is reported to be improving.

In the fall, Head sustained broken bones in both legs and both arms. The broken bones were in the right leg, left foot, right wrist, and left shoulder.

To Air Job Loss Before Regents

Dr. Alfred Kraus, Jr., project director for physical science at West Texas State University's Killgore Research Center, will go before the board of regents in an effort to overturn a university administration decision not to rehire him in the fall of 1968.

Dr. Kraus, who came to WTSU in 1964 with excellent credentials, was notified by the school administration last December that he would not be recommended for continued employment after Aug. 31, 1968.

Dr. Kraus has appealed to the board of regents and a hearing has been set for May 10 in Austin.

"I am not just trying to save my job," said Dr. Kraus Tuesday. "I'm trying to improve the university and the university needs improving."

Dr. James P. Cornette, president of West Texas State, Tuesday said he has no comment to make on the Kraus incident.

Dr. Kraus was supplied with a five-point bill of particulars setting forth the administration's reasons for not recommending him for further employment by the university.

Points one and three on the bill allege that Dr. Kraus has failed to develop and maintain satisfactory working relationships with his colleagues and with the school administration.

Point number two alleges that Dr. Kraus has failed to meet "his obligatory agreement to obtain outside research funds as one of the provisions of his employment as a project director."

(See KRAUS Page 8)

T. C. THOMPSON

mark. The family name then was spelled Thomsen, the Danish spelling. The family changed the spelling to Thompson to conform with their new homeland.

From Lexington, the family moved to Hale County in the Panhandle. There were five boys and six girls in the family.

Mr. Thompson and Miss Anna Lovella Leonard met while attending school in Running Water in Hale County. They were married in 1894.

The couple lived on a ranch (See DEATH Page 8)

Annex Out For Filing

County Clerk Leroy Hutton Monday was advised at a meeting of commissioners court that he should not accept documents at the Randall County court house annex in Amarillo for filing at the county court house in Canyon.

Hutton has been accepting documents at the annex for filing at the court house.

District Attorney George Dowlen pointed out to Hutton that the county might be liable if a document were lost in transit which goes to the voters next Tuesday.

(See ANNEX Page 8)

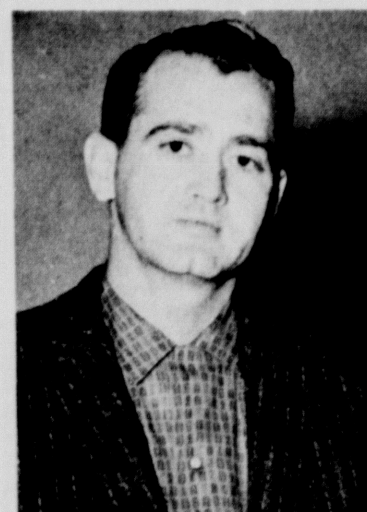

Chamber Approves City Bond

Canyon Chamber of Commerce board of directors Monday night gave its approval to a \$440,000 street, sewer and garbage improvement city bond issue which goes to the voters next Tuesday.

The vote came after City Manager Paul Davis showed slides on proposed improvements and Mayor Paul Lindsey spoke in behalf of the bond issue.

Board member Gene McGlas-son called for a separate vote on each of the three issues and

(See CHAMBER Page 8)

JIM CHRISTOPHER

BY WAYNE BOARD

Three candidates for the Canyon City Commission and the Mayor responded to questions this week prior to the election which has been scheduled for Tuesday.

Although Mayor Paul Lindsey and H. R. Fulton, Jr., place two, are running unopposed, incumbent George Ritter, place three, will have Jim Christopher as an opponent.

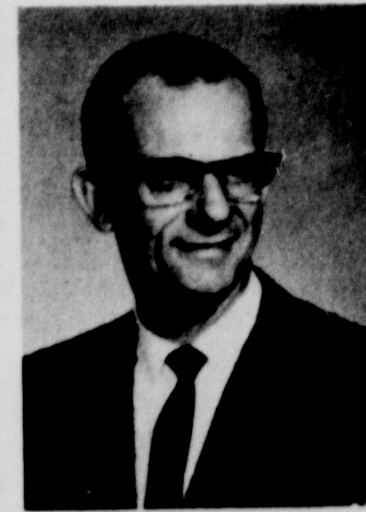

PAUL LINDSEY

Lindsey is a farmer-rancher, Fulton is a florist, Ritter is an associate professor of government at West Texas State University and Christopher is a local realtor.

Those questions asked the candidates were:

1. What are your feelings concerning the proposed \$440,000 bond issue Tuesday?

(The bond issue includes provisions for improvements to the city sewer, street, drain-

age and land fill departments)

2. What are your feelings concerning the proposed Panhandle Planning Commission that is presently under discussion? (Proponents of the organization say it would link Potter and Randall county and the cities of Amarillo and Canyon in area planning)

3. Would you favor a consolidation of the city and school tax departments? (The ques-

H. R. FULTON, JR.

by Troy Martin

FROM THE CANYON RIM

Canyon voters will ballot Tuesday on a \$440,000 bond issue for improvements in the street, sewerage and garbage disposal systems.

If we want Canyon to grow and prosper we had better go to the polls and vote yes on all three issues.

I think the facts are pretty well covered elsewhere in this issue so I'll not go into them here. There's only one bad thing about the whole issue and that is the fact that some nearby residents do not want to see the dump ground expanded.

Mayor Paul Lindsey has pointed out that there will be less chance of contamination of the nearby creek when garbage is buried than there is at the present time. Also, he says, there is almost no chance of contaminating the underground water supply because the proposed new dumping area is underlaid with clay.

The way I see it the future of Canyon for the next few years is tied up in this bond issue. I would like to see it carry.

There are two things which are going to haunt Bobby Kennedy in his quest for the Democratic Presidential nomination and will haunt him even more if he becomes his party's standard bearer.

Bobby once said he would be willing to send his blood to the Viet Cong and even advocated sending medical supplies to the enemy. I don't think this statement will sit well with the voters. I don't believe a man who has advocated aiding the enemy—even to the extent of giving his own blood to them—can expect to be elected President of the United States.

Another statement which will return to Bobby like Banquo's ghost will be his recent pronouncement on the Vietnam war. As short a time as six months ago, Bobby said he backed President Johnson's Vietnam policy.

Under questioning last week about this attitude his reply was a weak, "I was mistaken."

Ben Ezzell, editor of The Canadian record, declared, in an answer to our call for "Bold New Ideas" from conservatives, that it would be paradoxical for conservatives to come up with anything new.

He dubbed The Canyon News a conservative newspaper, and I presume a reactionary one. Possibly Ben's Canadian Record and The Tulsa Herald are the two most liberal sheets in the Panhandle and by Ben's reasoning would be expected to be the most aggressive and modern.

Both The Herald and The Record are years behind times in the methods by which their papers are printed. While most other Panhandle papers are printed by offset with clear black and white reproduction, these two "bold new idea papers" come off the press in much the same manner as did Ben Franklin's "Poor Richard's Almanac."

The ultra liberal is the worst kind of reactionary.

In power, he takes from the haves and gives to the have nots. Since there are more have nots than there are haves, the have nots maintain him in power.

This is a method of maintaining power that predates the caesars. There is scarcely anything new about it.

When I spoke of bold new ideas, I spoke of methods to maintain our respect and integrity abroad without the continuous drip of American blood.

I spoke of an appeal to people in slums to help themselves rather than debasing themselves by living on handouts and thereby assuring the continuation of slums.

I spoke of providing honest work for honest pay which could be spent for bread to be eaten in dignity.

Funeral Conducted For T. H. Foster

Funeral services for Thomas Henry Foster were conducted Tuesday at First Baptist Church of Canyon with Rev. Strauss Atkinson officiating.

Mr. Foster, 56, who was serving as city commissioner, place 5, died Saturday morning at 5:30 o'clock at Neblett Memorial Hospital in Canyon. He was born December 23, 1911 in Keyes, Oklahoma. His death was attributed to cancer.

A member of the First Baptist Church Canyon, Mr. Foster was a member of the Veterans of Foreign Wars and was a veteran of World War II. He was a building contractor and had lived in Canyon since 1940 when he moved here from Oklahoma.

Interment was in Dreamland Cemetery under the direction of LaGrone Funeral Home. Active pallbearers were Jack Taylor, John Jennings, Wilford Taylor, E. J. Larson, James Thomas, Jim Carter, Dr. J. L. Markham, and Loyd Childers.

Honorary pallbearers were Paul Lindsey, Paul Davis, H. R. Fulton, Jr., Felix Pierce, Paige Carruth, Wayne Wirt, E. A. Collier, Clyde Alsop, Oliver Grabbe, George Ritter, J. D. Brock and Dick Barrett.

Survivors include his wife, Thelma of Canyon; a son, Capt. Garry Foster of the United States Army, Italy; five stepsons, Richard Pruett of Canyon, A. L. Pruett of Sanford-Fritch, Jack Pruett of Lubbock; Leroy Burrow of Clovis, New Mexico and Elden Burrow of Raton, New Mexico; a step-daughter, Nadine Burrow of Keyes, Oklahoma; his mother, Mrs. Clara Foster of Keyes, Oklahoma; a brother, John Foster of Blythe, California; and seven grandchildren.

T. H. FOSTER

DR. FRANK DAUGHERTY, associate professor of geology and director of earth sciences research at West Texas State University, left, presented a check to Henry Sears of Hereford recently to initiate contributions to Educational Endowments, Inc., a recently incorporated group to assist WTSU development. Sears, president of the foundation, received the money which Dr. and Mrs. Daugherty have contributed to fund a geology merit scholarship at WTSU.

FHA Week Set Here

Future Homemakers of America chapters from Canyon will participate in the observance of National FHA Week March 31-April 6.

A full week of activities are slated at Canyon Junior High School by FHA members including church attendance March 31, a Smile Day at the school on Monday, a FHA colors day Tuesday, a Teacher Appreciation Day on Wednesday, a Twirl Day Thursday, an ice cream social Friday and a bake sale Saturday, April 6.

Martha Sykes is president of the junior high FHA chapter and Mrs. Nadene Lyles is sponsor.

"Focus on Citizenship" is the general theme for the week's observance by over 600,000 home economic students in the junior and senior high schools of the United States, Puerto Rico and American schools overseas.

Plank Visits Grandparents

Lt. James Edward Plank and wife, Diana, were week end guests of his grandparents, Mr. and Mrs. E. E. Plank, recently.

GSPA Meet Set Today

Members of the Grain Sorghum Producers Association of Potter and Randall counties will meet here today, Thursday, at the Red Barn Restaurant for the organization's annual conclave.

The breakfast meeting, said president Ralph Ruthart of Canyon, will be to elect officers and to hear briefings of GSPA business and a water program.

Other officers from Randall County in the association are John Williams, secretary, and Eugene Lamb and Richard D. Friemel, directors.

Had a party? Or giving one? Tell The Canyon News about it. Telephone OL-5-2141, or stop by the News office on the west side of the square.

the Vietnamese language at the Vietnamese Language School of the United States Army at Monterey, California and the Army Intelligence School at Baltimore Maryland.

His wife, also an honor graduate from Stanford University, will be employed in San Francisco, California while her husband is overseas. She is a statistical specialist in the field of insurance.

NOTICE OF APPOINTMENT
NOTICE TO ALL PERSONS
HAVING CLAIMS AGAINST
THE ESTATE OF HOSEA D.
FOSTER, DECEASED:

Notice is hereby given that original Letters Testamentary upon the Estate of HOSEA D. FOSTER, Deceased, were issued to me, the undersigned, on the 25th day of March, 1968, in the proceeding indicated below my signature hereto, which is still pending, and that I now hold such Letters. All persons having claims against said estate, which is being administered, in the County below named, are hereby required to present the same to me at the address below given, before suit upon same are barred by the general statutes of limitation, before such estate is closed, and within the time prescribed by law.

My post office address is 2006 3rd Avenue, Canyon, Randall County, Texas.

Dated this 25th day of March, 1968.

Frances Zoe Foster, Independent Executrix of the Estate of Hosea D. Foster, Deceased, No. 2061, in the County Court of Randall County, Texas. ltc-52

DR. DAVID BUTTS of the Science Education Center at the University of Texas was featured speaker at a drive-in conference for Panhandle elementary science teachers and school administrators held at West Texas State University Saturday. The conference was sponsored by the Panhandle Educational Services Organization.

Educator Stresses Process Approach

The wise teacher does not tell the students what they have learned, but rather permits the student to tell him.

"He (the teacher) will concentrate on helping children to realize and respect the abilities they have," Dr. David Butts told elementary science teachers and school administrators Saturday at a drive-in conference at West Texas State University.

Dr. Butts, Science Education Center, University of Texas, in addressing the group on "Standing on the Shoulders of our Experience", stressed the importance of the classroom teacher in the success of students learning elementary science by the process approach.

Huelyn Laycock, director of the Panhandle Educational Service Organization in Amarillo, presided at the general session. The drive-in conference was sponsored by PESO.

Following the general session, presentation of certificates to some 300 Panhandle and South Plains teachers was made in recognition of their completion of 35 hours inservice training in teaching "Science-A Process Approach".

The approach is an experimental program in elementary science developed under the auspices of the American Association for the Advancement of Science. Presentation of the certificates was made by Erit Fry, field representative for AAAS.

Exchange Student Returns For Visit

Erik Okseter was a guest of the E. E. Plank family of Canyon during the week end. Okseter related that "he was

an exchange student with the American Field Service to Hereford High School during the academic year 1960-61."

"During my one-year stay at Hereford I stayed with the Earl Plank family. This was a new and exciting experience for me as I got to work with horses, cattle, etc.," said Okseter.

"I went back to Norway in July, 1961, and finished my last year of high school. In 1962, I entered a Field Artillery Officers School in Norway. After one year, I served as an officer in the Norwegian Army until July 1964.

"Then I went back to school, this time an engineering college in Oslo. In November 1964, I married Barbro, a girl I had known for a long time. I transferred from the college in Oslo to the University of Utah in Salt Lake City in September 1966.

"I brought to Utah with me, my wife, Barbro, and daughter, Kristin (at that time 18 months old), and settled there for a while.

"I graduated in civil engineering from the University of Utah in March 1967. We (the Okseter family) are now on our way to Baytown, Texas, where I am to work for an oil company," concluded Okseter, expressing his appreciation to the friendly people of this area who have assisted with his education.

Mr. and Mrs. Erik Okseter visited in the E. E. Plank home during the week end. Okseter was formerly an exchange student for the Hereford schools.

Boys Choir Ranks High

Canyon High School boys choir received a sweepstakes rating with a first division in sightreading and concert at the University Interscholastic League competition last Wednesday at West Texas State University.

The girls choir from CHS received a second division in concert and a third division in sightreading. The Mixed Choir received a first division in concert and a second division in sightreading.

The ninth grade choir from Canyon Junior High School received a division I in concert and a division III in sightreading. Junior High contests were held Friday.

TEXAS HIGHWAY SIGNS such as this overhead sign were erected late last week at the interchange of the Canyon Expressway and US 60. More than 200 overhead, ground mount, stop, exit and do-not-enter signs will be installed along the E-way in the next two weeks. Cost of the total project will be about \$190,000.

Biomedical Plans Announced At WT

Culmination of several years of planning by administration and faculty at West Texas State University was realized Monday when a cooperative baccalaureate-graduate program in biomedical sciences with the University of Texas was announced.

Students at WTSU successfully completing a Bachelor of Science in biomedical sciences degree may be admitted to the University of Texas Graduate School of Biomedical Sciences in Houston, where they may complete a four-year program toward the Ph.D. degree in biomedical sciences.

Representatives of the Houston School and the M.D. Anderson Hospital and Tumor Institute, also of Houston, were in Canyon Monday to announce the cooperative agreement with WTSU. They are Dr. Robert Hickey, deputy director of the

hospital and institute, and Dr. Darrell Ward, chairman of the biochemistry department of the UT graduate school.

Work toward the cooperative program was first initiated between WTSU and the Houston institutions in 1963, when groundwork was laid in preparing the program.

The degree program at WTSU was finally approved last year by the Coordinating Board, Texas College and University System, after having been approved by the local curriculum committee and the Board of Regents, Texas State Senior Colleges.

The program, first of its type in Texas and probably in the nation, will be under the direction of Dr. Claude Boatman, head of the WTSU chemistry department. When Dr. Marion Guidry, life sciences project director at Killgore Research Center, joined the WTSU faculty, he continued negotiations toward the program.

Dr. Guidry said the new program, to be started this summer, is an undergraduate degree-granting plan requiring 125 semester hours of work. When students successfully complete the program here, they will be assured of admission to the UT graduate school.

The two visiting professors from Houston said the program has been needed for more than ten years. Dr. Guidry said the

program was directed toward the training of researchers and professors, and is designed to educate the student on the undergraduate level so he would not be deficient in any area when reaching the Houston school.

The program comprises a combination of courses which have been offered at WTSU for some time, with the exception of a course in molecular biology, which was added to the curriculum last year to complete the proposed study plan.

"We need this type of program very badly," Dr. Guidry said, "especially in the development of the Amarillo Medical Center."

Miss Porter In Recital On Monday

Elsa Porter, soprano, will be heard in recital at 8:15 p.m. Monday in the Fine Arts Auditorium on the West Texas State University campus.

Miss Porter, assistant professor of music at WTSU, will have as her piano accompanist Mrs. Lorna Schultz, organist at St. Paul's Lutheran Church here.

Miss Porter is a soloist in the sanctuary choir of the Folk Street Methodist Church at

Amarillo. She has made appearances with the Amarillo Symphony, the Chicago Theatre of the Air, the University of Oklahoma Symphony and the Texas Christian University Symphony.

For her Canyon recital, which is the 33rd program of the season sponsored by the music department, Miss Porter will sing selections from Handel, Mozart, Schubert, Puccini, Frank

Bridge, Roy Harris, John Duke and Stewart Nash.

There is no admission charge. A reception for Miss Porter after the recital will be given in the Intimate Theatre, of the FAB.

Bond Issue Talk Slated

A proposed \$440,000 bond issue for Canyon will be discussed at a meeting of the local Rotary Club Tuesday.

City Manager Paul Davis will discuss the bond issue election that is also scheduled Tuesday.

The group conducts noon meetings in the American Legion Building.

Psychology Meet Here

Dr. Ira Iscoe, professor of psychology and education at the University of Texas, will be a guest lecturer and consultant at West Texas State University April 3-4, according to Dr. Ruth Lowes, head of the WTSU department of education and psychology.

His visit to WTSU is sponsored by the American Psychological Association. While

on campus, he will assist the WTSU staff in planning its new major program in psychology, Dr. Lowes said.

Dr. Iscoe's program of lectures opens at 10 a.m. Wednesday, when he will address psychology students and interested persons on "Mental Health Technology in a Modern World." He will speak in the Branding Iron Theatre.

Your Reddy Kilowatt Dealer has a \$15 certificate for every Public Service customer who buys an electric dryer. Since electric dryers operate for only 5¢ a load—total cost, it's like getting 300 loads dried free.

DO YOU KNOW WHAT THE PROPOSED BOND ISSUE MEANS TO CANYON?

PROPOSITION NUMBER 1

SEWER PLANT EXPANSION

THE NEED FOR THIS PROPOSED EXPANSION CAN NOT BE OVER STRESSED. Due To The Rapid Growth of Our City, Our Sewage Disposal System has for sometime been under strain and at present is greatly overloaded. At our present rate of growth it will very soon be impossible for these facilities to carry the load. In this case each home in Canyon will feel the pinch by endless sewer problems

LETS MOVE AHEAD NOW WHILE THERE IS STILL TIME TO AVOID SUCH PROBLEMS

The Proposed Expansion Would Greatly Reduce Odor Caused By Present Overloaded Facilities. It Would Result In The Removal Of The Dairy Now Located On The Proposed Expansion Site, Thus Eleminating This Source Of Odor.

This Program Will Further Give The City Of Canyon Full Control Over Effluent Water From The Sewer Plant Not Now Controlled By The City. This Water Could, In The Future, Be Sold For Use In Industry, Now Approximately 90% Of The Water Used In Canyon Goes To Our Sewer Plant.

The Expansion Of Present Facilities Was Chosen Over Two Alternative Plans Because Of a A Variation Of \$100,000 To \$175,000 In Savings.

PROPOSITION NUMBER 2

STREET IMPROVEMENT

Present Width

Pictured above is the passing situation under present conditions on 5th Ave. with cars parallel parked on either side.

Proposed Width

Pictured above is the passing situation with the proposed new street extended 7 1/2' on either side.

The Proposed Improvements to 2nd, 3rd and 5th Is Not To Extend Either To A 4 Lane Street But Only To Extend 7 1/2' On Either Side To Provide Adequate Parallel Parking With Sufficient Room For Safe Two Lane Traffic. 2nd Ave. will be widened from 20th St. to 23rd St. Under The Proposed Expansion No Trees Would Be Involved On 3rd Avenue And Only A Few Trees On The North Side Of 5th Ave. To 23rd Street And Some Trees On Either Side From 23rd To 28th. This Proposition Will Further Provide For More Adequate Drainage.

PROPOSITION NUMBER 3

SANITATION FACILITY

With The Passing of Proposition #3

This Situation Can Be Greatly Reduced.

With the new sanitary land fill operation, the unsightly appearance of the dump ground, known to most of us, will no longer exist. This operation also does away with the problem of the dump ground providing a harbor for rodents, flies, mosquitoes & other pests which thrive under present conditions.

The URGENCY OF THE PASSAGE of this proposition lies in the fact that usage of our present dump area is near depletion. We MUST move in this area very soon or face the problem of creating an extremely unsanitary situation in our community.

WHAT WILL THIS COST THE TAX PAYER

\$10,000 HOME	APPROX. 1.4¢ per day	41¢ per mo.
\$15,000 HOME	APPROX. 2¢ per day	62¢ per mo.
\$20,000 HOME	APPROX. 2.8¢ per day	83¢ per mo.

VOTE FOR PROGRESS IN OUR CITY

MOST VALUABLE PLAYER award was presented to Canyon High School basketball guard Galen Davis, left, by CHS Coach Tom Buchanan. Awards were made at a CHS Athletic Banquet conducted Saturday.

Regents...

(Continued from Page 1)
omment Leave Program, was also sanctioned. The program is also in accordance with the policy statement for leaves presented to the regents by East Texas State University last December.

A faculty member will be eligible under the provisions of the program by reason of service to be considered for a faculty development leave when he has served at WTSU for two consecutive academic years. The service may be as an instructor or as an assistant, associate, or full professor or in an equivalent rank and must be full-time academic duty but need not include teaching.

Leave for WTSU faculty members may be granted for one academic year at one-half of his regular salary or for one-half academic year at his full regular salary.

Not more than six per cent of the university faculty can be on leave at any one time. Warren Hasse, employee of radio station KFDN in Pampa, was approved by the board of regents to serve as a director of the WTSU Foundation until 1973. He replaces Richard Stovall of Plainview as one of the three directors of the WTSU Foundation representing the regents. The other two directors representing the board are Clayton Heare and W. N. Durham, Jr.

In other action, regents approved a WTSU plan to provide a computer service to public schools of the area.

A letter from Huelyn Laycock, director of Panhandle

Educational Services Organization, states that PESO will pay WTSU a minimum of \$36,000 from June 1, 1968 to May 31, 1969. Total annual rental from the data processing machines is about \$175,000.

Other items approved include the sale of 19 small houses on the northeast portion of the campus to allow parking space at the new physical activities building; an increase in the student fee for the fall and spring semester to \$28.50 from \$27; and \$8,151 for remodeling of the college bookstore and post office.

The regents sanctioned the employment of Dr. E. B. Posey as associate professor of education and director of Teacher Certification; and Marva Sue Delk as assistant catalog librarian; and accepted the resignation of Mrs. J. Winston Burgess, catalog librarian.

Dr. James P. Cornette, who, along with Financial Vice President Virgil Henson, met with the board Sunday, was complimented for his work at the university.

Emil Rassman, chairman of the board, said the regents appreciated the manner in which Dr. Cornette was "on top of the business" at WTSU.

Dr. Cornette and Henson attended a reception and inauguration of San Angelo State College President Dr. L. D. Vincent Monday.

Unable to attend the board meeting was Heare of Amarillo.

Kraus...

(Continued from Page 1)

tor with Killgore Research Center.
"By the great weight of evidence, it is shown that re-employment of Dr. Kraus would be against the best interests of West Texas State University," declares the fifth point of the bill of particulars.

Dr. Kraus said he was notified in a letter from Dr. Emmitt Smith Feb. 10, 1967 that the university would be unable to pay his total annual salary and that it would be necessary for Kraus to get outside help either by contract or by a research grant. Dr. Smith, vice president of the university, indicated that such help must be forthcoming or Dr. Kraus would not be recommended for continued employment after 1967-68.

In a letter to Dr. Cornette, Dec. 15, 1967, Dr. Smith said he could not recommend further employment of Dr. Kraus.

"I regret that I must recommend that the current agreement with Dr. Kraus as coordinator of research in the physical sciences not be renewed after its termination August 31, 1968," said Dr. Smith in the letter, the contents of which were released Tuesday by Dr. Kraus.

Dr. Kraus came to the university in 1964 as director of physical sciences at Killgore Research Center. He was promoted to director of Killgore Research Center the following year.

He started the 1966-67 school year as director but in the middle of the year was removed as director and made project director again.

Dr. Kraus disclosed that he draws a salary of \$17,520 a year. Of that amount \$5,256 comes from the WTSU instructional budget and the remainder from Killgore Research Center.

Dr. Kraus said he thinks failure to rehire him is unjust.

"I have not been fired," he said. "I am merely losing my job. I am not to be re-employed. There is a difference."

Kraus said he will exercise his right to appeal to the board of regents.

"I do not believe the charges are true or sufficient to warrant me losing my job," he declared.

Dr. Kraus was graduated in 1949 from Massachusetts Institute of Technology with a bachelor's degree after six semesters there.

He received a Ph.D. cum laude in nuclear physics at Cal Tech in 1953.

DR. ALFRED KRAUS

Annex...

(Continued from Page 1)

sit from the annex to the court house.

Dowlen said law forbids the maintaining of a county clerk's office anywhere except at the county seat. He said, however, that the county clerk can function as such anywhere in the county.

Hutton said he has had a deputy at the annex Tuesday and Thursday afternoons. "I will continue to sell marriage license there," Hutton declared.

Commissioners heard application for the paving of a road in Precinct 3. The road runs east from Dreamland Cemetery and is paved for a distance of one mile. Petitioners have requested that some 8 miles more of the road be paved. It was signed by 34 persons.

"I am in sympathy but we don't have the money to pave a 30 traffic road," declared Commissioner Glenn Dowlen in whose precinct the road is located.

County Judge Carroll Brown was appointed to the Potter-Randall Community Action Committee to succeed B. R. Jones.

Commissioners received an answer to a request to the Texas Highway Department that the county be allowed to dig a trench across Fourth Avenue at 16th Street to lay a sewer line. The department suggested that the county find some other way to get the line across the street.

The court authorized Bill Money to advertise for bids for supplies for the county tax assessor-collector's office.

City...

(Continued from Page 1)

per cent city sales tax has been discussed here but commissioners decided not to offer the proposition to voters Tuesday.

"I'm definitely in favor of all projects included in the bond issue," Ritter stated.

Of the problem at the dump grounds, Ritter said if the county health officer recommended moving it to a new location he would "strongly consider moving it."

As for a regional planning commission, Ritter said he was very strongly in favor of it. "I'm not encouraged by the opposition to it."

Ritter said he felt the federal government's position was to encourage, not control, local planning.

"There is more demand on local government than ever in our history," Ritter declared.

In reference to a city sales tax, the incumbent said he felt it was not necessary at this time.

"We are anticipatory of a ten cent ad valorem tax raise," he said. "If and when Amarillo votes on the sales tax, we will be encouraged to do so and I hope can drop the ten cent tax raise."

"If it would provide a savings of administrative costs and supervision, I would be strongly in favor of it," Ritter said of the school-tax department consolidation.

Ritter said he contemplated no major changes in the operation of city government. "I think the commission is working responsibly in regard to policy. We're staying out in front," he declared.

Christopher termed the bond issue propositions as "absolute necessities--especially the sewer and streets."

As for the dump ground situation, Christopher said the city was "painted in a corner."

When quizzed about the regional planning, Christopher said there were "several areas that have not had satisfactory explanation. I don't have any comment at this time and couldn't give an intelligent answer."

Christopher continued that there were "several points I don't know about" in the matter of regional planning but "if it is set up like it was discussed at the last meeting, it looks like it would have its merits."

Christopher said the tax consolidation could create more equal tax values and could "consolidate overhead and expenses for both concerns."

Although Christopher said he could foresee no major changes in city government, he said he would withhold an answer on the sales tax issue for the present time.

"I need more time to study the feelings of the citizens and the income that would benefit the city," he said of the sales tax for Canyon.

Fulton termed the bond issue propositions as "of vital importance to the citizens of Canyon." He said he hoped "the citizens will learn all the facts concerning the proposals and vote for them."

The florist said he had reached no firm conclusion concerning regional planning. "It looks like it would help the future development of the area if handled by the proper by-laws. I think it needs more study."

"I am in favor of it," Fulton said of the sales tax, "dependent on proper timing with Amarillo's decision on it."

Fulton said he would favor consolidating the tax departments. "It would be a savings to the taxpayers."

Fulton added he felt the consolidation would need proper planning, "but I think it has definite advantages."

Fulton said he knew of "nothing impending" as for changes in the operation of city government here.

"We wouldn't have called for it," Lindsey said of the bond issue, "if we had not all been in full support of it."

As to the regional planning, Lindsey said: "We would hope to have a working relationship in the Panhandle area rather than be controlled by the national government. We need a real close working relationship with the Panhandle area."

The mayor said the city sales tax would be the "most fair tax that could be, so far as personal tax is concerned."

He said the city sales tax would depend on a vote on the matter in Amarillo, but it would "perhaps do away with personal property tax on automobiles and perhaps help us to lower other taxes."

While Lindsey said the tax consolidation might have advantages in the future, "it is not feasible at this time."

Death...

(Continued from Page 1)

after they were married.

At one time they found themselves with only a dime. This was all the money they had and they kept it for several months. Then one Sunday on their way to church they decided that the dime wasn't doing them any good so they gave it to the church.

This was indicative of Mr. Thompson's life. Throughout his adult life Mr. Thompson was active in the affairs of the Presbyterian Church.

"Canyon was just a broad place in the road when we got

Dump...

(Continued from Page 1)

of land from J. D. Barker at a cost of \$8,000, with the remaining amount used to buy additional equipment.

In the proposed new dumping area, trash would be hauled to deep trenches to be burned each afternoon. After the refuse has been burned, a bulldozer will be used to push dirt over the trash.

Mayor Lindsey said this would eliminate breeding places for rats and flies and the city could possibly reclaim the land at a later time for other facilities. This procedure, added City Manager Paul Davis, has been successfully practiced in other Texas cities.

As the present dump ground is rocky and trash cannot be buried, commissioners indicated the land fill method of dealing with refuse was the most practical.

Largest single proposition in the bond issue is for the sewerage treatment plant expansion.

On Dec. 4, 1967 the commission approved the purchase of 57 acres of land from George Roots at a cost of about \$38,000 for expansion of the plant.

Sale of the land, which includes two barns and lagoons in the southeast section of the city, was sanctioned subject to passage of the sewer bond issue.

City Engineer Bill McMorris of Amarillo told commissioners last year the sewer plant was inadequate to meet the needs of Canyon's growing population.

The present 12" vitrified clay line along 28th St. to 14th Avenue and southeast to the sewer plant is designed for only 5,000 population, he said. The present plant, including bar screen, Imhoff tank, trickling filter, final clarifier, sludge drying beds and oxidation ponds, was designed for 7,000 population, he added.

If the sewer bond issue passes, part of the funding may come from the Texas Water Quality Board.

Application for 30 per cent of the project was filed in late December with the TWQB.

The TWQB, with headquarters in Austin, receives federal funds which are distributed to cities for sewer plant projects through Public Law 660.

As for the street and drainage improvement bonds, plans call for widening 17th St. to Fifth Avenue east to 28th St.; 14th St. and Fourth Avenue north to Third Avenue; east on Third Avenue to 17th St.; and south to Fourth Avenue; and on Second Avenue between 21st and 23rd St.

The widening from 17th St. on Fifth Avenue east to 28th St. will be from an existing 31 foot street to a 44 foot street, Mayor Lindsey explained.

The action, which was made necessary when it was found too difficult to repair the old existing brick streets, would not deface property, the mayor added.

The move, he explained, will not molest any trees on Third Avenue or on the south side of Fifth Avenue from 17th to 23rd St., but a few on the north side will be removed.

As for storm sewer improvements, plans call for starting at 24th St. and Fifth Avenue and going east and south to 28th St. and Seventh Avenue.

This would tie the new line to existing facilities, the mayor declared.

The existing line, he said, is not large enough to sufficiently handle flood waters. A 36" line would replace the existing 24" line.

The only statement Lindsey made concerning operation of city government was to "strive to make it a more efficient. We can always do that in government and our own private business."

here," Mr. Thompson once reminisced. He started business in a variety store on Fifth Avenue.

Mr. Thompson worked for Morrow-Thomas Hardware of Amarillo as a salesman then in 1908 he founded Thompson's of Canyon.

The firm is still in operation on the east side of the square and still is owned by the Thompson family.

The firm handled hardware and farm implements. It was necessary to service equipment sold by the business and Mr. Thompson bought a bicycle which he used for making service calls.

He once rode the bicycle to Wayside to get a row binder started and then rode home that night carrying his bag of tools on the handle bars.

He continued riding the bicycle until he purchased one of the first automobiles owned by anyone in Canyon. This car was a two-cylinder "Silent Condition." Under favorable conditions it would attain a speed of 25 miles an hour.

Mr. Thompson was superintendent for a union Sunday School for about 15 years.

In the early days when there was no water system in Canyon, Mr. Thompson was a member of the bucket brigade fire department.

Thompson's of Canyon is the oldest business in the city. In the early part of the century, this country was predominately cattle country and Thompson Hardware employed its own saddle maker and published its own catalog. Men from several states and Old Mexico ordered saddles from Thompson's. Harness also was a big item in those days.

The firm also sold walking plows, drag harrows and runner planters. At Thompson's you could purchase a one-row cultivator, harness, wagons and buggies.

In 1920 a furniture department was added to the store. The kerosene lamp, coal stove, coal heater, the cane bottomed chair and the gasoline lamp were in great demand.

As the saddle and harness business declined, Thompson Hardware discontinued its harness and saddle shop and converted it to a shop for manufacture of curtains and tops for the latest mode of transportation, the automobile.

In 1929, Thompson's established with Griggs of Amarillo, the first funeral home in Canyon. It was operated by the partnership until 1943.

Also in the 1920s Thompson's began selling revolutionary farm equipment, the tractor.

When Mr. Thompson became less active in the business a son Clarence, operated it. It is now managed by a grandson, Clarence Eugene.

Mr. Thompson was active in the affairs of his community.

He was a charter member and elder of Canyon First Presbyterian Church, a charter member of the Canyon City Chapter Order of Eastern Star 105 and a charter member of Canyon City Masonic Lodge No. 730.

He served as mayor of Canyon in 1925-26. His grandson, Clarence Eugene, served as mayor of Canyon in 1965-66. He was a charter member of the Canyon Rotary Club and served that organization as its president for six years and was an honorary Rotarian at the time of his death.

He was president of the Chamber of Commerce for six years. In 1939 the Chamber presented him with a plaque in appreciation for his service.

Mr. Thompson served on the Canyon School board for 12 years and was a member of a committee to locate a permanent road to Amarillo.

He helped to establish Dreamland Cemetery and was an honorary member of the Dreamland Cemetery Association board of directors at the time of his death.

The family has requested that memorials be given to the Dreamland Cemetery Association.

Funeral services will be held at 4 o'clock this afternoon (Thursday) in the Canyon First Presbyterian Church with Rev. Baldwin Stribling, pastor officiating. Burial will be in Dreamland Cemetery under direction of LaGrone Funeral Home. The body will lie in state at the funeral home until 1 hour before the services. The casket will not be opened at the church.

Survivors include a son, Clarence Thompson of Canyon; a daughter, Mrs. George Farlow of Midland; four grandchildren, Clarence Eugene Thompson of Canyon, Thomas H. Thompson of Rumson, N.J., Mrs. George Vineyard of Midland and Mrs. Jack Walker of Canyon; and eight great-grandchildren.

SELECTED AS THE Canyon High School football squad's queen Saturday was Joyce Hoover. Presenting the award was Phil Swartzell, member of the Eagle squad in football this year. Thad Ansley of Amarillo was master of ceremonies for the Athletic Banquet held at CHS.

CHS Athletes Get Awards

Presentation of basketball and football awards for the Canyon High School 1967-1968 season highlighted activities at an Athletic Banquet conducted here Saturday.

Following an invocation by Ronnie Russell and the welcome given by Johnnie McBroom, president of the Canyon Eagles Boosters Club, Thad Ansley,

owner of a cleaning establishment in Amarillo, served as master of ceremonies.

Following the introduction of the basketball and football teams by their respective coaches, several awards were presented to those participating in athletics at CHS this last season.

Those awards given included football Fighting Heart Award, Tony Gibson; Most Valuable Forward and Guard in girls basketball, Pam Richardson and Cheryl Davis, respectively; boys basketball Most Valuable Player, Galen Davis; girls basketball king, Galen Davis; and football teams queen, Joyce Hoover.

Also given recognition were first and second teams for girls and boys basketball.

Those recognized include girls basketball, first team forwards Pam Richardson and Susan Swartzell and second team forward Jan Sternenberg; girls basketball, first team guard Cheryl Davis and second team guards Beverly Brown and Gail Swartzell; all district boys basketball, Robert Olson; and honorable mention in football, Ron Russell.

Weekly football awards were given to Ron Russell, Lon Connor, Bill Swartzell, Tom Tucker, Tony Gibson, Bob Wood, and David Thompson.

A dance, featuring "the Chaperons", followed the annual banquet.

GIRLS BASKETBALL KING at Canyon High School is Galen Davis. Making the presentation of the award at an Athletic Banquet Saturday at CHS was Susan Swartzell, basketball star this past season.

TWO EAGLE BASKETBALL stars at Canyon High School were presented with awards at an Athletic Banquet conducted at CHS Saturday. Receiving the Most Valuable Forward award was Pam Richardson, left, and Cheryl Davis, right, received the Most Valuable Guard recognitions. Presenting the awards was CHS Basketball Coach Bob Schneider.

CANYON HIGH SCHOOL football star Tony Gibson, left, was presented the Fighting Heart Award at an Athletic Banquet held at CHS Saturday. Making the presentation was Eagle Coach Jim Greenwood.

GAYLE SWATZELL, Canyon High School basketball player this season, was presented as the CHS Eagle basketball queen at an Athletic Banquet Saturday. Presenting the award was Robert Olson.

Canvas Tuesday For Cancer Unit

City-wide canvas for the Randall County unit of the American Cancer Society will be conducted Tuesday, April 2, with volunteer workers going house-to-house beginning at 6 p.m. Randall County's goal in the campaign is \$3,700, according to Larry Hooper, canvas chairman.

Workers will also be distributing educational material concerning cancer during the campaign. Volunteer workers have signed for the drive from the National Honor Society and Student Council at Canyon High School, Chi Omega sorority at West Texas State University and the women's physical education department at WT.

A portion of the funds collected in Randall County will remain here for use of cancer patients in the community, according to Hooper. The local unit will have funds available to assist local patients with transportation to and from hospitals for treatment and provide beds for at-home treatment. Funds collected will also be used in research and clinic fellowships for further study on the causes of cancer and its treatment.

The annual businessman's drive here is under the direction of Jerry LaGrone. Mrs. R. A. Neblett is chairman for the county unit.

A few facts from the American Cancer Society show that the death rate is still rising although today 38 percent of those who have cancer have been cured while only a few years ago it was 14 percent being saved from the death dealing disease. Active cancer control programs are now being conducted in 50 states while in 1937, a cancer control program was used in only seven states.

The informative brochure from the Cancer Society also relates that 30 useful drugs have been produced in recent years which have limited effects on cancer.

Seven warning signals are stressed by the society in early detection and possible treatment and cure of cancer. These symptoms listed are (1) unusual bleeding or discharge (2) a lump or thickening in the breast or elsewhere (3) a sore that does not heal (4) change in bowel or bladder habits (5) hoarseness or cough (6) indigestion or difficulty in swallowing and (7) changes in a wart or mole.

LARRY HOOPER, seated left, chairman for the Randall County unit of the American Cancer Society's house-to-house drive Tuesday checks working information with crusade volunteers, Sandy Lewis, seated left, of the Physical Education Majors Club at West Texas State University, and standing, from left, Robert Olsen, president of the National Honor Society at Canyon High School, Jim Brown, president of the Student Council at CHS, and Lynn Looney, president for Chi Omega social sorority at WT.

Chemicals For Animal Control

Six cans of a special aerosol chemical have been purchased by the West Texas State University Security Department to control animals in the dormitories.

Dean of Student Life Paige Carruth Wednesday said the chemical called "Del-Defend" would be used to control dogs and skunks that attempt to occupy dorms on the campus when students are away for the summer months.

The spray will allow the security officers to stun the animals and take them to the city pound.

DICK FLENNIKEN

DEDICATED

TO YOUTH AND EDUCATION

CANYON SCHOOL BOARD

APRIL 6, 1968

I would like for you to know that our family moved to Canyon three years ago from Amarillo, where I was born and reared, for the express purpose of raising our three children in this fine community and availing ourselves of the school system from elementary through the University.

My obligation is to you the public, no organizations or individuals per se. I am for the finest educational system, including its personnel and equipment, that our tax dollar can provide, from a standpoint of good business economics. I have attended regularly all of the school board meetings for over a year to familiarize myself with the problems and business at hand. Let us take some new fresh appraisals.

Thank you for giving your valuable time to consider me as a candidate. Your vote and influence will be deeply appreciated.

Sincerely yours,
Dick Flenniken

CHS 'Whirligig' To UIL Contest

Canyon High School drama students will present "Whirligig" as their one-act play in district University Interscholastic League contest Friday at West Texas State University.

The one-act adaptation of Oscar Wilde's "The Fisherman and His Soul" has been adapted for the contest by speech instructor Eddie Thomas. An invitational performance Tuesday evening was in partial fulfillment for a master of arts degree for Eddie Thomas. The play includes music, drama and

dance and is set in the 14th century.

In competition with the CHS entry will be one-act plays from drama departments of Tulia, Perryton, Hereford, Dumas and Muleshoe high schools. Dr. Crannell Tolliver is in charge of arrangements for the UIL district contest.

Andy Moreland plays the lead role of the fisherman. Pat Jarrett portrays the fisherman's soul. Mary Mitchell is the young, beautiful witch and Ric Wilson plays the priest. Others in the cast are Mike McKinzie as the altar boy, Paul Grimes as Merrick the Irish gossip, and Bea Thompson as

"WHIRLIGIG", an original adaptation of the Oscar Wilde play "The Fisherman and His Soul", will be presented Friday as the Canyon High School entry in the district one-act play contest for University Interscholastic League competition. Adapted by Eddie Thomas, speech teacher at CHS, the pictured characters are Andy Moreland, left, as the fisherman who is told by his soul (Pat Jarrett, right) "I can show thee more marvelous things than before".

Rotarians Honor Wives

Canyon Rotary Club held ladies night Tuesday at the east cafeteria of West Texas State University.

Wives of past Rotarians, Mrs. D. A. Shirley, Mrs. S. H. Condon, Mrs. Clyde Warwick, Mrs. Alfred Bellah and Mrs. L. F. Sheffy were special guests along with district governor-elect, John B. Stapleton and Mrs. Stapleton of Floydada. Gordon Downing has recently been elected president of the Rotary Club to succeed Tom Black. Other officers

are Ray Lumry, vice president; Lee Roy Moreland, secretary; Murray Boston, assistant secretary; Duane Howard, treasurer; and directors, O. W. Parker, A. C. Haley, Jr., Joe Frank and Ralph Mardis.

Miss Hager In Vietnam

Barbara Hager has reported for duty in Saigon, Vietnam.

Miss Hager, former West Texas State University student, is to work with the special services unit of the American Army.

She is a niece of Mr. and Mrs. Tony Burrus of Canyon and completed her high school education at Panhandle.

Miss Hager's address in Vietnam is: Barbara Hager, First Logistical Command, Special Services, APO San Francisco, California, 96384.

Going somewhere? Or been? The Canyon News wants to know about it--and so do its readers.

COOK OF THE WEEK

Shares Unusual Trio

Mrs. Wayne Price, mother of five, shares favorite recipes for No-Bake Pumpkin Pie, Fifty Dollar Jello Salad, and Meat Loaf with our readers this week.

Mrs. Price, the former Wanda White, was born in Oklahoma and lived there until 17 years of age when she moved to Hanford, California. She returned to Canyon in 1954 and took beauty school training in Amarillo, later working as a beautician for Opal's Beauty Shop here 9 years.

She is a daughter of Mr. and Mrs. R. E. White of Canyon and has two brothers and six sisters including Ralph White of Canyon, Joyce Dickey of Lawton, Oklahoma, Shirley Huesties of Wichita Falls, Judy Colard of Lyons, Colorado, Mary Whitten of Canyon, Elva Mae O'Hara of Oklahoma City, Oklahoma, Dewey White of Denver, Colorado, and Orela Klinevich of Oklahoma City, Oklahoma.

In April 1957, she married Wayne Price, son of Mr. and Mrs. Roy Price of Canyon. He is a native of Black, Texas and has a brother, Leroy Price of Hereford, and a sister, Martha Inman of Biloxi, Mississippi.

Her husband, Wayne, is employed with E. J. Larson Plumbing and Heating in Canyon.

Mrs. Price and family enjoy trips to the furniture auctions in Amarillo and it is a special treat for the youngsters, according to their mother.

Mrs. Price has one daughter, Mrs. Dan McClard, in Hanford, California. Mrs. McClard is mother of two.

The Price's other children are Jeff, 9, a fourth grade student at Rex Reeves Elementary School and Chris, 8, a third grader at Rex Reeves. Both are members of the Cub Scouts.

Still at home are Cindy, 6, and Gary, 4.

Mrs. Price said that the No-Bake Pumpkin Pie, although out of season is a quickie and delicious to serve any time of the year.

She explained that the Fifty Dollar Jello Salad is just that "a delicious treat". She said that the recipe came from a lady who purchased it for \$50 and has been applauded many times when prepared for family gatherings and salad suppers.

Shower Fetes Mrs. Baker

Mrs. Charles Baker, the former Miss Carol Anderson, was honored with a miscellaneous bridal shower Saturday afternoon in the home of Mrs. J. E. Low.

Receiving guests were Mrs. Low, the bride, Mrs. Wm. B. Anderson, mother of the bride, and the bride's grandmother, Mrs. Vernon of Happy.

The tea table was laid with white lace over green and centered with a spring bouquet of yellow daisies. A silver service complemented the table. Miss Phyllis Hunnicutt presided at the table.

The bride's sister, Barbara Anderson, served at the guest book.

Assisting Mrs. Low with hostess duties were Mesdames Jo-zach Byrd, Jack Williams, Ocie Chism, Roland Johnson, Dale Killingsworth, Battle Harris, Crews Henry, Gene McGlasson, Jr., W. B. Castleman, A. M. Cunningham, H. B. Owen, B. J. Tilger, L. D. Hunnicutt and Larry Cook.

Her Meat Loaf recipe, according to Mrs. Price, is a good one-dish meal and the bacon strip, baked on top, adds just the touch of flavor which makes the recipe stand out in her collection.

Her recipes follow:

NO-BAKE PUMPKIN PIE
1 cup canned milk
1 cup prepared pumpkin
1 pkg. instant vanilla pudding
1 tsp. pumpkin pie spice
1 pie shell, baked

Mix milk, pumpkin, pudding and pie spice with electric mixer. Pour into baked pie shell and refrigerate several hours.

FIFTY DOLLAR JELLO SALAD
1 pkg. lime jello
1 cup hot water

Boil jello and water together for one minute. Let cool until syrupy and then whip thoroughly. Mix together the following:
1 cup pears, chopped and drained
1 cup crushed pineapple, drained
8 oz. pkg. miniature marshmallows
1 cup chopped nuts.

Add fruit, marshmallows and nuts to whipped syrupy jello and them make a sauce of:
4 egg yolks, beaten
2 Tbsp. sugar
3 Tbsp. vinegar

Mix sauce ingredients thoroughly and cook over low flame until thick, stirring constantly. Cool and add to jello mixture and then whip 1/2 to 1 pint of whipping cream and fold into jello mixture. Refrigerate salad until firm. Serves 10-12.

MEAT LOAF
1 1/2 lbs ground beef
1/2 med. onion, chopped
1/4 cup chopped bell pepper
1 cup cracker crumbs
1 egg
salt and pepper

Mix together in large baking pan. Form a round loaf in center of pan and then surround with 4-6 sliced potatoes and 4-6 carrots, sliced. Pour one can of tomato sauce and two cans of water over meat loaf and vegetables.

Add a strip of bacon on top of meat loaf. Cover casserole with lid or tinfoil. Bake at 375 degrees for about one hour.

TERRY LAWSON and bride, Barbara, are shown with an antique book of Martin Luther's sermons, speeches and prayers which was a gift from her father in Germany for their recent marriage. Mrs. Lawson holds a letter from Robert H.

TERRY LAWSON and bride, Barbara, are shown with an antique book of Martin Luther's sermons, speeches and prayers which was a gift from her father in Germany for their recent marriage. Mrs. Lawson holds a letter from Robert H.

Wedding Gift May Assure Education

BY LORENA MILLER

An unusual book "Tischreden" or Martin Luther's Table Talk may prove to be a college education for a young Canyon man named Terry Lawson.

Lawson and his German bride, Barbara, received the book as a wedding gift from her father, Alfred Heinze, of Gelsenkirchen, Germany. The couple was wed under German law May 6, 1967 and by United States law November 7, 1967 in Canyon. The Lawsons are making their home here.

A graduate of Canyon High School, Lawson has completed his tour of duty with the United States Army and is presently

employed as a concrete finisher in Amarillo. He hopes to become a dental technologist and plans to study at Career Academies in Atlanta, Georgia.

The wedding gift book has been valued at thousands of dollars by a local museum authority. The Lawsons are currently checking with museums, large churches and the Library of Congress to authenticate the book for future sale.

Mrs. Lawson's father was given the book 50 years ago by a woman "in payment for a painting", according to his daughter. Received in East Berlin, the book was transported across the Iron Curtain.

"My father left East Germany when I was six years old," said the young bride. "Mother and I remained in East Germany for about a year. . . and all of the time, mother was sending out books and paintings to my dad in West Germany."

"Father has a large collection of books. For this book 'Tischreden' he was offered 10,000 German marks (about \$2,500 American)," said Mrs. Lawson.

The antique book, bound in heavy hogskin, is a collection of all of Martin Luther's writings and sermons dating back to the early 1500's. The book was printed by Johann Christoph Zimmermann and Johann Ricoloo Berlach in 1723, according to the flyleaf introduction.

Over 1,000 pages are included in the book which has metal corner bindings and metal clasp locks. The book measures over-size at an estimated 15 x 12 inches per page, according to

Land, Chief, Library of Congress which was received recently. The young couple hopes to authenticate the book in preparation for the sale of the book in order to assure Terry of an educational opportunity.

Land, It is written in German and Latin.

The Lawsons think the book is the only one of its kind in the United States and a recent letter from Robert H. Land, Chief, Library of Congress seems to point up that fact as follows from his letter "an examination of the official catalog of the library has failed to reveal an entry for the particular work about which you inquire."

Land's letter continues: "Some information of possible interest to you (the Lawsons) is found in Preserved Smith's Luther's Table Talk; a critical study (New York) 1907, 135 pg. On page 65, Smith states that one of the men who first printed a German edition of Martin Luther's Tischreden or Table Talk was a man named Stangwald. Stangwald's first edition appeared in 1571, the second in 1591."

In Smith's book (according to zerox copies of footnotes included with Land's letter) the Stangwald editions of the Tischreden are listed and he says "the 1723 edition would seem to be the work in Mrs. Lawson's possession."

The valuable book arrived in Canyon by airmail from Mrs. Lawson's father as a special wedding gift for the young couple along with a handwritten note which urges the Lawsons "to do with the book as you like."

Leroy Hutton, Randall County Clerk and member of the Randall County Survey Committee, has assisted the young couple with composition of several letters and inquiries about the book.

Although just a dream at present, the couple hopes to sell the book and assure young hus-

band, Terry, of his studies for becoming a dental technologist.

MRS. JIM SCOTT
OUTSTANDING JAYCEE-ETTE

BSP Election Held

Xi Kappa Zeta chapter of Beta Sigma Phi sorority held an election of officers last Tuesday evening at the Girl Scout Building.

Mrs. Charles Peckenpaugh was elected president. Other officers elected were Mrs. Johnny Robinson, vice president; Miss Betty Sue Patterson, recording secretary; Mrs. Kirk Kite, corresponding secretary; Mrs. Robert Daniel, treasurer; Mrs. Jim Irwin, extension officer; and Mrs. H. O. Stroud, civil defense officer.

During the business meeting, members discussed plans for the annual Founder's Day banquet and set May 4 as the date for a Girl Scout benefitting bake sale to be held at Bellah's Super Market.

The program on "ideals of liberty and justice" and "the golden person in our hearts," was given by Mrs. Johnny Robinson.

Refreshments were served by the hostess, Mrs. Bob Brotherton, to Mesdames Robert Daniel, Jim Irwin, Kirk Kite, Herbert Kuhlman, Charles Peckenpaugh, H. O. Stroud, Elmer Clement, Johnny Robinson and Miss Betty Sue Patterson.

Jaycee-Ette Honor Given Mrs. Scott

Mrs. Jim Scott was named Canyon's "Jaycee-Ette of the Year" last week at an awards banquet for the women's civic club in the home of retiring president, Mrs. Weyman Brown.

Mrs. Scott was presented with an engraved silver tray at the event. The local women's club annually names an outstanding member by secret ballot and the one selected is nominated by the club for the honor of "outstanding Jaycee-Ette of Texas" in population division II at the state convention.

A biography of Mrs. Scott will be sent to the judging committee during March. The state convention this year will be held in early May at Austin.

Mrs. Scott served the club this past year as vice president and was in charge of compilation of the club's scrapbook. She was formerly treasurer for the club. She earned the "hopping hen" this year for a total of 1,236 travel miles logged during the year to activities sponsored by other area Jaycee and Jaycee-Ette clubs as well as the state convention last spring.

Last year Mrs. Scott was chairman of the club's standing committees for jackets and membership. She also served as chairman for Jaycee-Ette assistance at Labor Day Rest-stop, was chairman of a club bake sale, was chairman for the Christmas hospital favors and was in charge of collecting ticket receipts from Tay-

lor and Son.

Along with her other activities, Mrs. Scott is the mother of four including Dennis, 9, Debbie, 7, and twins, Dana and Donna, 4. She has lived in Canyon for three years. Her husband, Jim, is employed with Taylor and Son Food, and was as secretary-treasurer for the Canyon Jaycees. He was formerly the vice president of the Jaycees. He was named as Canyon's Jaycee of the Year and outstanding committee chairman for the local civic club at the men's banquet and program Saturday night.

Canyon Jaycee-Ettes will also nominate their 1967-68 president, Mrs. Weyman Brown, in the "outstanding president" category at the state convention.

Under Mrs. Brown's leadership, the club has successfully completed 31 projects of its own in addition to participation and assistance with 21 Jaycee sponsored projects.

A resident of Canyon for six years, Mrs. Brown and her husband have two sons, Pete, 7, and Jeff, 4. Her husband is associated with Hosea Foster Insurance Agency. She is also an active member of the Canyon Study Club and has served that group as reporter-historian. Her husband was recently installed as 1968 president of the Canyon Jaycees.

Along with guidance of her club, Mrs. Brown earned her "hopping hen" certificate for travel this year. She attended area and state events logging 2,400 miles.

The local women's club will also enter a scrapbook covering all phases of Jaycee-Ette activity at the state convention. For the past two years, the club has garnered the title of "most outstanding club of the state" in population division II.

Previous nominees for "outstanding Jaycee-Ette" for club years in 1965 (Mrs. Gerry King) and 1966 (Mrs. Charles Marshall) have brought home the state honor.

In addition, last year the women's club received the travel trophy for six members attendance at the joint state convention in Fort Worth. Their scrapbook also received a first place in aid to Jaycees, second in other Jaycee-Ette activities, and a third place in ways and means.

Foods Show Winners Are Selected

Favorite Foods Show for Randall County 4-H members was held Saturday at the Junior Livestock Building in Canyon.

Senior division entrants, Judy Boehning, bread and cereal division, and Linda Hales, fruit and vegetable division, were selected to represent the county at the district foods elimination which is set April 20 at Canyon High School.

Representing the county for the junior division will be Terry Reynolds, milk division, and Millie Hales, meat division.

Millie Hales was also the high point winner of the county show. Other entries were Rhonda Hales, meat division, and Debbie Hales, milk division.

Records judge was Aubrey Klaus of Vega. Judging exhibits were Irene Keating of Dimmitt and Cricket Taylor of Farwell.

Tea

EASTER TEA was held last Thursday in the sorority unit of Alpha Delta Pi at West Texas State University. The event, hosted by Alpha Delta Pi, was an introduction of events to come in regard to the Easter season, Nancy Jones,

left, of AD Pi is shown at the punch bowl. In the serving line are Linda Williams of Delta Zeta, Francys Ballenger of Chi Omega, and Connie Mills, right, of Zeta Tau Alpha.

Woman's Book Club Sponsors Art Show

"Whatsoever Things Are Lovely" is the theme for a Woman's Book Club sponsored art exhibit to be staged April 20-21 at Stevenson Pontiac display rooms.

The woman's club annually sponsors the exhibit for the purpose of recognition of local talent. Included in the exhibit will be divisions for student work from high school, junior high and elementary levels with cash prizes being offered in each division. No entry fee will be charged for the student contest.

Area artists are invited to exhibit as many as four paintings in any media, with an entry fee of \$1 for each exhibit. Twenty percent of all

sales will go to the sponsoring club for promotion of civic projects in Canyon.

Mrs. Michael J. Morris, OLS-3036, is chairman for the exhibit. Advance entry blanks must be completed for all divisions of the show. Entries will be received at the display room from 5-8 p.m. April 19 and must be picked up between 5-7 p.m. April 21. The exhibit will be open to the public April 20 between 10 a.m. and 5 p.m. and April 21 between 2-5 p.m.

Entry blanks below may be filled in and returned to Mrs. Morris, 2630 Eleventh Avenue, Canyon, Texas 79015 with \$1 per entry. Additional entry-blanks are available from Mrs. Morris.

ENTERED IN THE Randall County Spelling Bee from Umbarger School are Ann Handing, seated left, and Mary Raef, seated right. Standing, from left, are Glen Stocker, Patricia Grabber, Juanita Hartman, Elaine Ramaekers, Donna Batenhorst and Clara Grabber. The county spelling-down will be held Friday afternoon at Canyon Junior High School auditorium.

Remedies Topic For Gardeners

Boone McClure, curator of the Panhandle-Plains Historical Museum in Canyon, was guest speaker for last Thursday's meeting of the Canyon Garden Club.

McClure related information on "home cures in the Texas Panhandle and what to do until the doctor came from 85 miles". He also discussed what "herbs and mixtures were most trusted by the early pioneers".

Twenty-two club members were present for the meeting which was held in the Joe Frank Home. Club guests attending were Mrs. Wade Hill, Mrs. Phillip, Tully, Ed Weeks and Mr. and Mrs. L. W. Crum.

1925 Bridge Club Meets

The 1925 Bridge Club met recently at the Milton Morris home.

A dessert course with coffee was served to Mesdames Virginia Allen, Hershel Coffee, Roscoe Davis, James Cole, Joe Gibson, A. K. Knott, Iverson Leake, Ray McReynolds, Hud Prichard, John A. Williams, A. B. Hunsley, and J. M. Daugherty.

USC Party Is Monday

Canyon City Club will be the site for a couple's party Monday evening under the sponsorship of the University Study Club.

The event will begin at 7:30 p.m.

Co-hostesses will be Mesdames Weldon Hager, Emil Olson, Jack Ziegler, Foster Parker and C. E. Thompson.

Mother-Daughter Banquet, April 5

Annual mother-daughter banquet will be held Friday, April 5, at the First Methodist Church Fellowship Hall.

Sponsored by the Woman's Society of Christian Service, the event is open to all Methodist women. Tickets, currently on sale, are \$1.25 for mothers and 75 cents for daughters.

Various honors will be given during the program.

Officers Resign

Two officers of the Randall County Home Demonstration Council resigned their positions in a joint statement at Monday's meeting of the council.

Resignations were from Mrs. John Jennings, council chairman, and Mrs. Wire Wright, secretary-treasurer.

Vice chairman, Mrs. Ray Metcalf, will preside at the next regular session, April 22, when the council membership will nominate and elect new officers.

Landscaping Set Friday

A program on "landscaping" will be presented Friday at 1:30 p.m. at the Farm Bureau Building in Canyon.

Sponsored by the Randall County Home Demonstration Council, the program is open to the public.

John Brazzil, county agent, will be guest speaker.

Club Has Luncheon

Woman's Study Club of Happy met recently at the Clayton Devin home for a turkey luncheon.

The president, Mrs. Copus Boyd, presided at a brief business meeting as roll call was answered with "a recent book or article which I have read". Twenty-four members were present.

Mrs. G. L. Robinson reviewed "household hints by Phyllis Diller".

The luncheon table featured the president's color theme of blue and white and featured a centerpiece of spring jonquills. Assisting with the luncheon

were Mesdames Ernest White, Bobby Odom, James Merrill and R. W. Johnston.

Childers Have Son

Mr. and Mrs. William Edward Childers announce the birth of a son, Jeffery Scott.

The infant was born at Neblett Memorial Hospital March 16 and weighed 7 pounds 8 ounces on arrival.

Grandparents are Mr. and Mrs. Lloyd Childers of Canyon and Mr. and Mrs. Lloyd Gordon of Pampa.

Pianist Turini In Concert

BY STANLEY POTTER

Final program for the 1968 season of the Canyon Community Concert Association was conducted by Canadian pianist, Ronald Turini, last Thursday evening at Canyon High School auditorium.

Turini is lavishly endowed pianistically, displaying a rare control of the keyboard, colorful sonority, and tasteful interpretations.

His ability was best revealed in the Beethoven Sonata, Opus 57 and the two Liszt pieces, Un Sospiro and Hungarian Rhapsody No. 12, works which, though masterful in their own right, require no great extramusical projection. The Beethoven Sonata was especially effective, powerful but always clear even when thickly scored. This ability to voice harmonies so that a transparent and colorful sonority results seems almost

most non-existent among the younger generation pianists.

Sympathy is always with the pianist who must continually play on a different instrument but even more so when the instrument in question is unsuitable for works demanding subtle control of nuance. The first book of the Debussy Images falls into this category, and to a lesser degree the Chopin works: Etude, Opus 25, Number 12; Nocturne Opus 27, Number 2; Scherzo in B flat minor. Turini's treatment of the Debussy was perhaps too literal to be effective, but who is to say how much an unsuitable instrument and audience with unsuppressed respiratory ailments affects a performance.

The Impromptu in G flat, Opus 90 of Schubert, three Rachmaninoff pieces, and a Scarlatti encore completed the program. Of these only the Schubert Impromptu might have fared better. Its lieder-like quality was lost in a rather impersonal presentation.

Turini's pianism is an undisputable phenomenon, but only time will tell if he can develop the ability to communicate more effectively through his music—to woo even a restless audience.

Award Given Melody Jones

A citizenship award was presented Friday by members of the Canyon Kiwanis Club to Melody Jones, Canyon High School senior.

The daughter of Mr. and Mrs. J. Keith Jones of Canyon was presented the award by George Blackwell, former Kiwanis Club District I governor.

Miss Jones is treasurer of the CHS Future Teachers of America, a member of the National Honor Society, and a Candy Stripper.

She participates in the nursery, choir and MYF activities at the First Methodist Church here, sponsors a Girl Scout troop and aid with the Brownies.

DZs Install '68 Officers

Lynda Hughes of Claude was recently installed as president of Delta Zeta sorority chapter at West Texas State University.

Other sorority officers installed were Carol Denny of Childress, vice president; Shirley O'Donald of Canyon, secretary; Sharon Ruthart of Canyon, treasurer; and Barbie Mitchell of Roswell, New Mexico, pledge trainer.

MELODY JONES, daughter of Mr. and Mrs. J. Keith Jones of Canyon, was given a citizenship award Friday by the Canyon Kiwanis Club. Presenting the award was George Blackwell, Kiwanis Club former district I governor.

Dedication Set Friday

Dedication ceremonies for a Youth Activities Building, sponsored by the First Baptist Church of Canyon, will be conducted Friday night at 7:30 p.m.

The youth building, located at Third Avenue and 17th Street, will be dedicated by Rev. Straus Atkinson, pastor. The opening program will include a "hootenanny" led by Danny Clark and impersonations of Phyllis Diller by Carroll Killingsworth.

Ken Baker, youth education director for the church, will serve as general manager for the center. Adult supervision will be provided during the regular open hours Friday and Saturday (afternoon and evening) and Sunday afternoon.

The building is to be operated on a non-denominational basis for the entertainment of high school and junior high age students. No admission will be charged. The building is equipped with a TV-Room, a kitchen and facilities are available for parlor games and ping-pong.

Upward Bound Funds For WT

An Upward Bound project at West Texas State University has received financial assistance totaling \$69,970, according to a Washington, D. C. source. The funds, for pre-college training involving 60 high school students to be recruited from the Potter and Randall County areas, are being made available to WTSU through the Office of Economic Opportunity.

Four Here

THE COLLEGE MEN FOUR, student representatives of Bethany Nazarene College at Bethany, Oklahoma, will appear at the Canyon Church of the Nazarene Friday through Sunday with evening services at 7:30 p.m. and the regular worship hour set for Sunday morning.

Narcotics Discussion Scheduled

"The Use, Abuse, and Control of Narcotics" will be the topic of a symposium scheduled Saturday at West Texas State University.

The meeting will open at 9:30 a.m. in the auditorium of the Old Administration Building, and will conclude with an afternoon panel discussion and question and answer period.

Speakers are James R. Green of Dallas, assistant regional director of the Bureau of Drug Abuse Control of the Department of Health, Education, and Welfare; Kenneth Decker of Midland, northern regional director of the narcotics division of the Texas Department of Public Safety; and Paul Galtier, sheriff of Potter County.

The three will make individual addresses at the morning sessions, and will be members of a panel in the afternoon. The meetings are open to the public. Sponsoring the symposium are the departments of history and government at WTSU.

Happy JCs Event Set

Jim Fellers will be installed as president for the Happy Junior Chamber of Commerce Saturday night, April 6, at an awards banquet at the Happy High School cafeteria.

Other officers to be installed are Bill Penn, vice president; George Tires, secretary; Duane Stubblefield, treasurer; Tom Henry, inter-club director; and Norman Freeman and Lloyd Venhaus, directors.

Classified ads in the Canyon News get fast results.

Hinders Third In Judging

Mike Hinders, son of Mr. and Mrs. Louis Hinders of Canyon, was third high individual in dairy judging at recent contests at Sweetwater.

In the contest in which Hinders was ranked third, there were 284 boys from throughout the state participating.

In team judging, Canyon High School ranked third in a field of 71 teams.

Bob Gruner, son of Mr. and Mrs. Forrest Gruner of Canyon, ranked sixth high in lamb judging. There were 240 students in the contest.

The dairy judging team was composed of Hinders, Jerry Crain, Clifford Boehning and Charlie Ham.

Also entered in the contests were livestock, meats and lamb judging.

Trumpet Recital Slated Monday

Gene A. O'Rear, Amarillo senior will give a trumpet recital in the Fine Arts Auditorium of West Texas State University at 4 p.m. Monday.

O'Rear, son of J. H. O'Rear of Amarillo, is a member of the Amarillo Symphony. He is a student here of David Ritter, assistant professor of music.

O'Rear's program will include selections from Henry Purcell, Johann Nepomuk Hummel, Donaudy-Fitzgerald, Flor Peeters, and Kent Kennan.

In one number, "19th Century Carmina," edited by John Glaser, O'Rear will be assisted by David Chism, Hope, Ark., trumpet; Rick Perryman, Midland, tuba; Andrew Russell, Dallas, trombone; and John Brantley, Canyon, horn.

Scholarship Offered For CHS Essays

A \$200 scholarship is being offered by the Canyon Kiwanis Club to a Canyon High School student composing the best essay on "law and order".

The contest is open to all high school students and essays between 500 and 1,000 words are due to be submitted to the various English teachers at the high school Friday, March 29.

In addition to the scholarship (which may be used for the college of the winners choice), contest prizes will also include engraved plaques for the first three places.

Entries become the property of the sponsoring civic club and judging will primarily be based on originality and subject content. Grammatical construction will also be given consideration in the judging of essays.

The winning essays will be printed in the Canyon News.

District UIL Literary Meet Slated Here Saturday

District literary contests will be conducted Saturday, March 30, at Canyon High School with AAA high schools including Canyon, Dumas, Hereford, Tulia, Muleshoe and Perryton in competition.

Students receiving first place awards in the various competitions will be eligible to compete in the regional University Interscholastic League meet to be held in Odessa.

The Canyon High School principal's office will serve as headquarters for posting results of the various contests which include number sense, science, slide rule, typing, shorthand, spelling, ready writing, girls and boys prose reading, girls and boys poetry interpretation, girls and boys persuasive speaking, girls and boys extemporaneous speaking, and girls and boys debate.

Canyon High School's Student Council will maintain an information center in the entrance foyer of the high school building. Council members will assist in location of assigned rooms, contests, and other needs.

Each visiting school will have a headquarters room in the building. Judges will report to room 60 at 9:30 a.m. for a briefing session. Contest judging will begin at 10 a.m. Contests will run alternately throughout the morning hours Saturday.

Judges and CHS entries in the various divisions will include:

NUMBER SENSE: Judges, Don Williams, Tulia; Gayle Frederick, Canyon; and David Henderson, Hereford. CHS has no entries for the contest.

READY WRITING: Judges, Sammy Waldrop, Tulia; Myrtle Thompson, Hereford; and Mrs. Gay Dale, Canyon. CHS entries will be Jeanette Ely and Virginia Grimes.

SCIENCE: Judges, John Goen, Tulia; Daisy Huntsinger, Hereford; and Mrs. Ainaeda Boehning, Canyon. CHS entries will be Stan James, Chris Tully, Roger Wilson and alternate, Steven Hunnington.

SLIDE RULE: Judges, Winston Odom, Tulia; Floyd Payne, Hereford; and Denny Park, Canyon. CHS entries will be Randy Price and Rodger Wilson.

SHORTHAND: Mrs. Lucille Whitmill, Canyon, will dictate; Alice Berry, WT, as timekeeper; Diane Davis, WT, copy verifier; and judges will be shorthand instructors from the various schools. CHS entries are Karyn Johnson, Susan Swartzell and alternate, Debbie McCandless.

TYPING: Mrs. Lucille Whitmill, Canyon, will conduct contest; Georgia Lee, WT, will assist; and judges will be typewriting instructors from the various schools. CHS entries are Brenda Johnson, Kathy Miller, Pat Moore, Kay Nester, Wanda Wagner and alternates, Mary Lou Parks and Cheryl Davis.

SPELLING: Mrs. Jane Stephenson, Canyon, pronouncer. Judges, Kathleen Smith, Tulia; Dorothy McClure, Canyon; and Marie Ratliff, Hereford. CHS entries are Phyllis Hunnicutt, Neal Zimmerman and alternate, Alicia Boone.

PROSE READING: (Boys) Judge, Mrs. Howard Lynch; Mary Carter, Canyon, preparation room monitor. CHS entry Paul Grimes. (Girls) Judge, Mrs. Helen Wheir; Mrs. Freeman, Canyon preparation room monitor. CHS entry, Margaret Rael.

POETRY INTERPRETATION: (Boys) Judge, Mrs. Jane Moore; Mrs. Charlotte Brantley, Canyon, preparation room monitor. CHS entry, Nick Petruccione. (Girls) Judge, Mrs. Soveida Obregon; James Walter Canyon, preparation room monitor. CHS entry, Mary Mitchell.

PERSUASIVE SPEAKING: Judge, Mary Harrison; Linda Adams, Canyon, preparation room monitor. CHS entries, John Teters, Darleen Williams.

EXTEMPORANEOUS SPEAKING: Judge, Buddy Stephens; Mrs. Joy Knight, Canyon, preparation room monitor. CHS entries, Mike Blanton, Shelley Brillhart.

DEBATE: (Boys) Round judges, Robert Sanders, Bob Wilkinson. CHS entries, Bud Roland, Terry Lomax and alternate, Mike Blanton. (Girls) Judge, Miss Imogene Anderson. CHS entries Alicia Boone, Trudy Martin and Barbara Kirkman, alternate.

Timekeeper-directors for the various contests will include Jacqueline Patterson, ready writing; Leonard Kent, science; Ray Wells, slide rule; Betty Brown, shorthand; Jean Galloway, typewriting; Mrs. Judy Pilcher, spelling; Mrs. Ilona Smith, boys prose; Gary Zook, girls prose; Robert Watkins, boys poetry interpretation; Margaret Foster, girls poetry interpretation; Lillian Graham, persuasive speaking; Mrs. Juanna Jo Essary, extemporaneous speaking; Carroll Killingsworth and Jerry Blackerby, boys debate; Kay Fields, girls debate.

Spellers

SPELLERS from Rex Reeves Elementary School entered in the Randall County Spelling Bee will be, front, from left, Richard Boston, Stephanie Dawdy, Dana Pedersen and Cheryl Sykes. Back, from left, are Rodney Thompson, Judy Carpenter, Charlyne Moulton, Jana Burton and Mackie Williams. Not pictured was Kevin Willis. The county spelldown will be Friday.

WMU Missions Study Tuesday

Mrs. J. Edwin Low will speak on "requirements for the missions vocation" at Tuesday's regular monthly meeting for the Woman's Missionary Union of the First Baptist Church.

Mrs. Low will also discuss her experiences as a missionary in Nigeria. The program will begin at 10:45 a.m. following the session for the executive board which is at 10 a.m.

Mrs. Gene Morrison is program chairman. The session will conclude with a covered dish luncheon in Fellowship Hall.

Italian Film Ends Series

An Italian comedy entitled "Shout Loud, Louder-I Don't Understand" will be the final film in the current Community Film Series.

The film will be shown April 3-4 at 7 and 9 p.m. at the Olympic Theatre on the north side of the square. Admission will be \$1 per person. The film is not recommended for viewing by children.

Piano Event Set Sunday

Piano pupils of Mrs. Herschel Coffee will be presented in recital Sunday at 2:30 p.m. in the all-purpose room of Rex Reeves Elementary School.

The public is invited for the performance.

Students playing will be Suzan Blake, Sharon Reynolds, Joelyn Crowley, Betty Fischbacher, Jed Welch, Cynthia Reynolds, Patti Crowley, Ken Cooper, Glen Holcomb, Tara Wooten, Suzan LaGrone, Royce McBride, Harold Thompson, Mindy Hicks, Patti Guy, Alvin Mardis, Joann Fischbacher, Frederick Bush, Kevin LaGrone, Penny Crowley, Lane Welch, and Katherine Mardis.

Happy Teams End Season

Both the Happy Cowboys and Cowgirls basketball teams have been defeated in their bids at regional tournaments recently.

The Cowboys ended their season with a 28-7 record losing their final game to Meadow by a five-point margin.

The Cowgirls lost to Quitaque in the first round of regional tournament at West Texas State University recently. Quitaque is ranked fourth in the state. The Cowgirls ended their season 17-17, winning, 16 of their last 23 games.

Mike Starker and Don Maynard were named all-regional for the Cowboys.

The Cowgirls also rated an all-regional player in 5'6" junior, Peggy Bates.

R

A SIMPLE TEST FOR EMPHYSEMA

Advanced Emphysema and chronic bronchitis have caused millions of respiratory cripples. These diseases start slowly and early symptoms are not too troublesome. Many people wrongly ignore them. The best chance for control is an early detection and prompt treatment. Watch out for morning coughing spells or shortness of breath during your daily activities.

Take this match test. Light an ordinary match and hold it lit about 12 inches from your mouth. Take a normal breath and then "huff" out the match without pursing your lips. If the match is not blown out you may have emphysema. See your physician for a positive diagnosis.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Tulia Home Honors For Shelnutt

Charles Porter Shelnutt has been selected as the senior citizen of the week at the Tulia Nursing Home recently.

Shelnutt was born May 29, 1875 in Corgell County, Texas. He married the former Minnie Myrtle Rusk on Christmas Eve in 1896 and the couple came to Randall County by covered wagon in August 1898.

Shelnutt claims the distinction of being the only man living who voted in the first city election at Canyon. He worked on a stock-farm before entering the transfer business. He was in the transfer business when the college at Canyon was started. Only five original donors to the college are still living and Shelnutt is one of those. The opening of the college increased his transfer business in the form of mov-

C.P. SHELNUTT

ing student trunks going to and from college.

Almost 93 years of age, Shelnutt has watched the growth of Canyon. He and his wife, now deceased, have seven children including Velma Mariner and Pearl Goodwin, both of Canyon; W. E. Shelnutt of Rantoul, Illinois; C. C. Shelnutt of Canyon; D. V. Shelnutt of Caddo, Oklahoma; J. R. Shelnutt of Amarillo; and a daughter deceased.

He also has 16 grandchildren, 40 great-grandchildren and 5 great-great-grandchildren. Shelnutt has been a resident of the Tulia Nursing Home since October 1967.

Son's Birth Announced

Mr. and Mrs. James Dixon Walker have a son, John Dixon, who was born March 13 at Neblett Memorial Hospital in Canyon.

The infant weighed 7 pounds at birth.

Mrs. Foy Pieratt of Lubbock is the maternal grandmother. Paternal grandparents are Mr. and Mrs. J. O. Walker of Laredo.

Supper Set For Athletes

Members of the athletic teams at West Texas State University and coaches and wives of team members and coaches will be honored with a hamburger supper Sunday evening in Fellowship Hall of the First Methodist Church.

The supper, which begins at 5 p.m., will be given by men of the church under the direction of Jack Swartzell. A nursery will be provided at the church.

WTSU Students Complain To '67 Committee Group

Several students at West Texas State University appeared before members of the Committee of 67 to voice their views on several matters concerning campus life.

The committee, formed last year to prepare a comprehensive study of the university, met Monday at WTSU to hear the students complain of no private housing for fraternity members, lack of school spirit and other aspects of campus life.

Warren Hasse, chairman of the subcommittee hearing the student complaints, said this particular phase of study would probably last another six months. The subcommittee

Baptist RAs To Campout

Royal Ambassadors of the First Baptist Church will have an overnight outing at the Baptist Assembly Grounds, northwest of Canyon.

The group will leave Friday at 5:30 p.m. from the local church and will return at 11 a.m. Saturday. Jozach Byrd and Gene McGlasson will be supervisors for the outing.

will assimilate and evaluate the suggestions and arrive at definite solutions which will be given to the Committee of 67.

A list prepared by members of the subcommittee shows the students were also interested in a poor quality of graduate training, inadequate student counseling, curfew for female students, poor public relations between Canyon and Amarillo and the stigma attached to WTSU as being a diploma mill.

Hansens Spring Musical Have Girl Slated At WT

The spring musical for West Texas State University will be Frank Loesser's "The Most Happy Fella".

The play is slated for nine public performances beginning April 24. It will be presented in the Fine Arts Building at WT. Curtain time for each performance will be 8:15 p.m.

All seats will be reserved. Mail orders will be accepted April 1-13. Admission will be \$3 for adults and \$2 for public school students and children. WT students will be admitted on their activity cards, but must reserve seats.

Suggestions given for WTSU improvements included campus tours for area high school students, student bill of rights, grievance committee for faculty members and more care in scheduling classes.

Committee of 67 members also toured the Killgore Research Center, new administration complex and IBM center.

Mr. and Mrs. Gordon Hansen of Umbarger announce the birth of a daughter, Stacy, March 17 at Neblett Memorial Hospital in Canyon.

The infant weighed 6 pounds and 8 ounces at birth.

Hansen is manager of Buffalo Lake National Wildlife Refuge near Umbarger. The Hansens other children are Kerry, 6, Rachelle, 5, Craig, 3, and Susan, 18 months.

Grandparents are Mr. and Mrs. E. S. Hansen of Paradise, Utah and Mr. and Mrs. Grant Geddes of Logan, Utah.

GUY HAMBLIN, left, state director for Area I Jaycees, installs Weyman Brown as president of the Canyon Jaycees for 1968-69 as Delbert Turk, retiring president, right, watches.

Jaycee Speaker Says, 'Sell Them Democracy'

"International Relations--An American Dilemma" was the subject of Miguel Tarrab as he addressed the Canyon Jaycees and guests at the annual installation and banquet for the men's civic club Saturday evening at the Canyon High School cafeteria.

Tarrab, a native of Cuba, is an assistant professor in the mathematics department at West Texas State University. He urged the Jaycees to "sell democracy to Latin American countries... before they buy Communism."

He stressed that Americans

must "know the tools and weapons used by the Communists in order to fight for democracy."

"The people-to-people approach of extending democracy will be more effective than your government handouts have been," said Tarrab. "The lands of Latin America don't have civic clubs like the Jaycees, Kiwanis, Lions and Rotary in their countries."

"Sometimes," stated Tarrab, "the governments of foreign countries even create their own Communist segment in order to keep receiving your free aid."

"Let's give them something besides, free money, wheat and handout footstuffs... give them something so they won't turn out Communist," related Tarrab.

Following Tarrab's speech, Guy Hamblen, Area I Jaycees state director, conducted the installation of officers for 1968-69. Serving the Canyon Club will be Weyman Brown, president; Bill Blackburn, vice president; Jim Scott, secretary-treasurer; Delbert Turk, interclub director; and directors, Don Fatout and Terry Clark. The after-dinner invocation was given by Rev. Baldwin Strubling, pastor of the First Presbyterian Church of Canyon. Pledge to the United States flag was led by Jim Scott and Tommy Terrell led the Jaycee Creed. Meade Michael served as master of ceremonies and the welcome and introduction of guests was by Don Fatout.

Delbert Turk, retiring president, was in charge of the presentation of awards which included the "Jaycee of the Year" plaque and the "outstanding chairman's" plaque. Both plaques were awarded to Jim Scott.

Receiving other awards were Don Fatout, Sparkplug; and Bill Blackburn, first year Jaycee. Certificates were awarded to The Canyon News and KCAN Radio for publicity.

Roadrunner awards went to Jim Scott, Don Fatout, Weyman Brown, Charles Marshall and Delbert Turk. The total club miles travelled were about 14,000.

A past president's plaque was awarded to Delbert Turk at the conclusion of the program.

Out-of-town Jaycee clubs recognized on the program were Vega, Tulia, Happy, Claude, Amarillo, Dumas and Panhandle. The banquet was concluded with an installation dance at the Ollirama Building, north of Canyon, at Rockwell Road.

TEP Survey Slated Here

Teacher Evaluation Program, sponsored by the honors unit of Terrill Hall at West Texas State University, is sponsoring a questionnaire for evaluation of instructors at the university during the fall term.

The 13 question form will be handed out to students by instructors during class periods beginning Monday.

Voluntary cooperation of teachers and students is sought by the unit in an effort to improve the school as seen through the eyes of the student.

News Brief

CANYON'S SOCIAL PIONEER Club will meet today, Thursday, at the Ray Walters home.

Meeting time is 2:30 p.m.

CANYON'S 'Jaycee of the Year' Jim Scott was also named the civic club's 'outstanding committee chairman' at the annual banquet of awards held March 23 at the Canyon High School cafeteria. Scott was a vice president for the club last year and is currently serving as secretary. He was outstanding throughout the year on a variety of projects including chairmanship for the Youth Shooting Education Program last spring, the Randall County Round-Up Barbecue during the summer, and is serving as the club chairman for Records and Recognition.
